Make Leadership Development a priority. IT'S WHAT LEADERS DO.

DEVELOP YOUR LEADERSHIP GIFT

Whether it's at church, home, work, or in the community, God is calling His people to do what leaders do. **Cast vision. Set strategy. Navigate change. Motivate teams. Build into others.** But whose job is it to build into you? The truth is, leaders are responsible for their own development. That's why tens of thousands of Christ-following leaders will gather in more than 140 locations across North America for The Leadership Summit 2008, Thursday-Friday, August 7-8. It's an annual, high-caliber event designed to stretch, challenge, and inspire.

GATHER WITH 100,000 LEADERS RIGHT WHERE YOU ARE

Broadcast live via satellite from Willow Creek Community Church near Chicago to more than 140 locations across North America, the Summit allows leaders to train together through one event in many locations. Much more than "just a conference," it is two full days of opportunity to process the life-changing potential of your church in your community and the world. Featuring highly-respected leaders in the church, marketplace, and academia, this event is designed to give teams space to grow and learn together.

TAKE THE NEXT STEP
