Join 60,000 leaders Thursday-Friday, August 5-6, 2010 at one of 225 locations across North America, including 17 in Canada.

THE GLOBAL LEADERSHIP SUMMIT IS ABOUT STIRRING UP AND CALLING OUT THE **VERY BEST** IN LEADERS

Pastors, teachers, business leaders, law enforcement officials, politicians, musicians, athletes, and others are answering the call and choosing to *lead where they are* to make a lasting difference. Striving to be effective leaders, they are the agents of transformation. They call out what's wrong, set goals, launch initiatives, motivate, challenge, and move people to get on the solution side of solving our worst problems.

On August 5-6, 2010, the Summit will be broadcast live via satellite from the Willow Creek campus near Chicago to more than 225 satellite sites across North America – including 17 in Canada. Emerging technology allows leaders to train together through one event in many locations.

Far more than an annual training event, The Global Leadership Summit has become a galvanizing event in this worldwide leadership movement. Leaders representing amazing diversity of race, culture, ethnicity, language and denomination are coming together to develop their unique leadership gifts.
