

Every man was once a boy. And every little boy has dreams, big dreams: dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress.

But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are...bored.

Men need a deeper understanding of why they long for adventures and battles and a beauty—and why God made them just like that.

John Eldredge and the Wild At Heart team will invite men to recover their masculine heart, defined in the image of a passionate God.

Don't ask yourself what the world needs.
Ask yourself what makes you come alive and go do that.
Because what the world needs is men who have come alive.
